# TULFARRIS GOLF COURSE

Tulfarris is enjoying rave reviews from professionals and amateurs alike. The 18 hole championship golf course has seen an investment of over €1 million since the property was bought by PREM Group in 2016. With an ongoing programme of works in place for 2019 and beyond, new facilities include the construction of a new clubhouse with coffee dock (opening 2019), fully stocked pro-shop, locker rooms, showers and bathrooms, all located next to the dedicated golfers' car park adjacent to the first tee. Additional works include upgrades to the bunkers, greens, fairways and enhancements to the general course aesthetics.

Standing by the shores of Blessington Lakes will leave you speechless. Set across three peninsulas, renowned course architect Patrick J. Merrigan has created a stunning 18-hole championship golf course paradise at Tulfarris. Test your handicap among breath-taking surroundings where ponds and wild grasses blend into the exciting design against sweeping panoramic views. Whether you are a leading pro or an enthusiastic beginner, Tulfarris Golf Course offers an exhilarating test in the garden of Ireland, Co. Wicklow.

# TULFARRIS GOLF ACADEMY

Tulfarris Golf Academy has a flood lit driving range with 6 bays with a teaching bay and an outdoor teeing area. There is also a practise putting green and chipping area. Our on-site PGA professional Tom O'Neill is available to provide tuition to golfers of any level from beginner to elite. Tom uses some of the newest technology on the market including 'Trackman' and various other training aids to help golfers achieve their potential.

## **Get Into Golf Programme**

One of the best ways to learn the basics of golf is to take lessons from a PGA professional. Tulfarris is delighted to support the CGI Get Into Golf Programme - a fantastic initiative to introduce novices to the game of golf in a fun and enjoyable environment. For more information on Get Into Golf, please contact our golf team.

# TOURNAMENT PROFESSIONAL - SIMON THORNTON

European Tour winning professional golfer Simon Thornton was appointed as Tournament Professional at Tulfarris Golf Club in 2017. Simon is also winner of the 108th PGA Championship 2018 and has a mission in helping Tulfarris Hotel & Golf Resort become one of Ireland's premier golfing destinations.

Simon's career began in Royal County Down where he was an assistant club professional. He soon went on to progress through the PGA Irish Region, EuroPro, playing on the Challenge Tour in 2009, finishing 51st before earning his European Tour card at qualifying school at the end of the season. In June 2013, he claimed his first win on the European Tour with victory at the Najeti Hotels et Golfs Open in France. Simon also hosted the EuroPro Tour Irish Masters in August 2018.

## HOME TO THE PGA EUROPRO TOUR

The PREM Group Irish Masters was staged at Tulfarris in August 2018. The competition forms part of the PGA Euro EuroPro tour offering players direct access to the Challenge Tour through the final Order of Merit, with players competing for over £1.2 million of prize money in 2018.

The tour is played across 15 different venues and provides Europe's best up-and-coming golfers the chance to gain necessary experience of life on tour, and in front of the TV cameras.

Tulfarris will host the event again in 2019 and 2020. The event will be broadcast on Sky Sports Golf to an audience of 400 million homes. It will also be heavily promoted on social media and through our media partner The Irish Golfer magazine. Sponsorship opportunities are available for companies wishing to promote their brand to an extensive audience.

*As Lead Tournament Director for the PGA EuroPro Tour it was my responsibility to work with Tulfarris to deliver a tournament to the demanding standards required for an event of that stature. In both planning and execution Pat Barrett and the team provided flawless delivery and were a pleasure to work with. The course itself is stunning in both quality and layout with views to match. Tulfarris is a fantastic addition to the Tour's schedule and I am greatly looking forward to returning in 2019 and 2020.*

*Ash Weller, Lead Tournament Director. PGA EuroPro Tour*

*For me, Tulfarris was the number one stop on the Europro this year. It's a true test of golfing ability rewarding good golf but punishing bad golf. The quality of the golf course was second to none and I can see it as a future European Tour stop. More importantly the service we as players received was outstanding and we were made to feel right at home. Will definitely be back to play this hidden gem in the near future.*

*Richard Mansell, PGA Professional*

*I've recently been fortunate enough to play and stay at Tulfarris on the PGA EuroPro Tour and loved the experience. The course has a stunning setting and examines every part of a players game. I would recommend anyone to stay and play.*

*Peter Finch, PGA Professional and Golf Blogger*
